Dear Cousin Merwyn,

Here is the information you requested:

George Smith Southern
952 McCants Drive
Mt. Pleasant, S.C. 29464
Born: March 21, 1951
Place: Greensboro, N.C.

In 1975 I was married and changed my name from George Arthur Smith to the above. I would be interested in your response, as a genealogist, to this question: How do people who trace their family lines justify any significant relationship between themselves and an ancestor? If Miles Merwin lived 300 years ago, we are approximately 15 generations removed. With every generation we count back, our number of ancestors, ~~to whom we~~ (or grandparents) we have doubles. So there are 2^{15} people, or 16,384 grandparents that I could choose from 15 generations ago from whom I am descended. My actual blood relationship with Miles Merwin is 1/16,384!

Is my reasoning correct, and if so, why should you or I feel any closer kinship to Miles than to our thousands of other ancestors?

Sincerely,
Devil's Advocate
George Southern

P.S. Upon rereading your letter, I see it is my children for whom you want information!

BRONSON HASBROUCK SMITH (1880 -1930)

Bronson Hasbrouck Smith received his education as an Engineer at Cornell University in New York, during which time he rowed on the college Crew, eventually as the Stroke, and never rowed in a losing race. In 1905, he married his beautiful second cousin, Florence Jennings Merwin and settled in Flatbush, New York, where they raised a family of four children. During this time, Bronson worked for the United Gas & Electric Co., Henry R. Kent & Co., and American Cotton Oil Co., in and around New York. In 1923, Bronson accepted an offer from Meyer & Holler, a construction firm based in Los Angeles, as Chief Engineer, and the family emigrated to Los Angeles. During the next seven years, he was instrumental in the building of eighteen buildings in and around L.A., a few of which were:Petroleum Securities Bldg.,Quimby Bldg., Hollywood Hospital, three Christian Science churches (First, Fourth, and Ninth),four Theaters,including the famous CHINESE THEATER in Hollyood.

Bronson was quite an avid boating fan, and during this time, he bought and remodeled a 30 foot sail boat, which he christened THE JOLLY BEGGAR, and which the family and their friends, enjoyed for several years. Unfortunstely, Bronson was one of the victims of the Depression. After losing his position with Meyer & Holler, and struggling to support his family as an Engineering Consultant, he gradually sickened, and died in 1930 at the age of fifty. He was a member of THE AMERICAN SOCIETY OF CIVIL ENGINEERS, and was eulogized by that organization. Bronson was also a cousin of the descendants of Egbert "Tangier" Smith, whose Estate at one time composed a very large section of Long Island, N.Y.

Dear Merwyn,

The truth is I haven't been able to get our ③ interested in writing about their lives and I just don't have the time or inclination to do it for them, my sister Evelyn Klier is so interested in doing it for her family and writing about her life.

The present is taking up all my time and effort - I have to get up in the wee hours

of the morning to get
letters off (4 A.M - now).
and my promises for
paintings are mounting
and there's lots of grandbaby
sitting sprinkled in.

So please understand
why you haven't rec'd the
life histories of Georgia
Bartok, Joan Williams
and George Southern.
They are too busy making
their history to write abou
it, they say.

Keep up the good
work. I like to think about
what the Bible says, "A day with
the Lord is as a thousand, and a
thousand years as one day."
Sincerely, Gladys Merwin Smith

In your letter of July 10, 1981, you said you would get the data on each of your children for the Supplement.

How is it coming? Don't feel you must get the data from all three before forwarding it. Send me each one's record as you get it.

Hope you don't mind this reminder.

Best regards,

Dear Mr. Buchanan,

(my sister) Evelyn Klein thought you might be interested that when my husband retired he was asked by I.E.S.C. (International Executive Service Corp.) to help a textile mill in Manila, Philippines - for five months (a year) - no salary - just a per diem & round trip tickets for us both.

He did this three times (parts of 3 years) each time we turned in our return tickets & bought tickets to South Africa to see our daughter Joan Williams & her family - so this took us around the world three times.

I love to do water colors - so I have many paintings -

Dear Mr. Buchanan,

I am enclosing a ten dollar check, made out to the Miles Merwin Association, to pay for my husband and my dues, also for Wendy Ann(Klier) Burnham, George Michael Klier, Kathleen Ellen (Klier) Wilson,and Marla Jane (Klier) Palty.

I have been delayed returning these record sheets because of trying to complete them, which means some searching,writing, 'phoning, etc.

Regarding my personal history, and my husbands'---

I attended P.S. 152 in Brooklyn, N.Y., and Erasmus Hall High School. About this time, my family moved to California, and I finished school at Hollywood High School, and spent two years at U.C.L.A. About that time, I won a Scholarship at Chouinard School of Art in Los Angeles. So subsequently I worked as a fashion artist at Bullock's Dept. Store (where I met the man who later became my husband).During the years of raising our family I have kept active with my art, have exhibited at various places- the Greek Theater,Bullock's, May Co.,Fashion Square,Van Nuys Women's Club, etc. and have been fortunate enough to sell quite a bit of my work. My specialty is Portrait, also landscape and Still Life, in Oils, and I am happy to have received some blue ribbons for my work.

Sidney grew up in Bisbee, N.Dakota,and graduated from University of North Dakota in 1929. Looking for a place to start work he came to Calif. and worked as an accountant at Bullock's for twelve years.(where we met).

During the war, he was with Douglas Aircraft for four years;

He was Vice President in charge of Procuction at Pacific Mercury Inc. for ten years;

He was V.P. and Secretary of Kierulff Electronics Inc. for fourteen years and was instrumental in taking that business out of "the red" into a business that later sold to Ducommon Inc for just under $2,000,000.

In his spare time Sidney has been a builder. He built our present very comfortable home, and also two different vacation homes at Lake Tahoe in northern California, where we have spent our vacations for the last twenty years.

You asked me the date of my father's(Bronson Hasbrouck Smith) death. It was June 6,1930.

Dear Merwyn,

Enclosed is the information you asked for:

1. city & state where each of Wendy's children were born
2. Biographies of Wendy, George Michael, and Marla.
3. also, a biography of my father, Bronson H. Smith

I hope this is satisfactory. It took awhile, but here it all is, at last.

Re: Wendy Ann Klier Burnham

after raising two sons

1 Attended Merced College at the age of 32 - history major - Dean's list - member of National Honor Society (can't remember or find the name!!). And - graduated with highest scholastic honors - will have to do.

Taught Junior High School in Merced, CA for two and one half years, and, yes, I was especially skillful with teenagers - difficult or otherwise. Still am.

Moved to Tahoe City, CA in 1971. Added on to home originally built by Daddy. Became a court clerk for the Tahoe Judicial District Court and presently holds the position of Senior Administrative Clerk. And - here I will remain on the shores of my beautiful Lake Tahoe. Lucky me!!

Dear Mr. Buchanan -

Herein is the completed Family Record for my daughter Kathleen Ellen Klier. I am still holding the one for Wendy Ann Klier, hoping to be able to complete it with Richard Dana Burnham's "mother's maiden name" and Richard's "birthplace" I have written to him.

Most sincerely,

Evelyn Klier

Jan. 14, 1952 in Santa Monica, Calif., a son of Joseph Leon & Shirley Frances (Kurach) Patty. Marla Klier and Robert Patty were div. in Sept. 1980. They had no children.

Re: Marla Jane Klier (Patty)

Attended Isabelle P. Buckley High School-- five years (Dean's List)

Member National Honor Society -- four years (I guess.)

Attended UCLA one year, Sawyer Business College one year.

Attended California State University at Northridge for 1-1/2 years -- accounting major -- Dean's List.

Career as Legal Secretary -- worked extensively in Entertainment Law field, primarily in Beverly Hills and Hollywood, now working in general civil litigation in small firm in Tahoe City, California.

Marla Klier Patty's fam. rec. of Oct. 21, 1980

Evelyn Hasbrouck Smith Klier obtained a copy of her birth certificate in 1942 and found her name was record on that certificate as Evelyn Merwin Smith. The doctor, Evelyn's cousin, apparently had made the mistake. Subsequently her mother executed an affadavit ~~so~~ verifying that Evelyn Merwin Smith and Evelyn Hasbrouck Smith were one and the same person. She attended Erasmus Hall High School until her family removed to California where she finished school at Hollywood High School and spent two years at University of California at Los Angeles until she won a scholarship at Chouinard School of Art in Los Angeles. She was employed as a fashion artist at Bullock's Dept. Store. During the years of raising a family, she continued her art work, specializing in portrait, landscape and still life in oils for some of which she has won blue ribbons. She has exhibited at the Greek Theater, Bullock's, May Co., Fashion Square, Van Nuys Women's Club, etc. Her husband grew up in ~~Bis~~ Bisbee, N. Dak. + grad from the University of North Dakota in 1929. He was an accountant for twelve years at Bullock's Dept. Store; worked four years for Douglas Aircraft during World War II; was vice president of ~~Productio~~ production at Pacific Mercury, Inc. for ten years; V.P. and Secretary, Kierulff Electronics, Inc. for ~~fourteen~~ fifteen years ~~until~~ during which time it was sold to Ducommon, Inc. He has built the home they live in and two different vacation homes in Lake Tahoe, northern ~~Cal~~ California

Dear Evelyn:

Enclosed are rough drafts of your family entry together with each of your children's entry for the Supplement.

You have done a good job. There are just a couple things I would like to point out.

On Wendy's entry we need the place (city + state) were each of her children were born.

Also Kathleen is the only one who has given me a biography. Please make clear to the other children that they are entitled to have a bio included. If they do not wish it, so be it.

Your contribution to the Supplement is much appreciated. I shall forward it to Gaius immediately.

Best regards,
Merwyn

PS - could you give me a brief biography of your father? ✓

Dear sir:

Enclosed is my check for twenty dollars toward the new genealogical supplement to the MERWIN FAMILY IN N. A. (my second installment of the amount that I have promised).

Also I am enclosing a Zerox copy of my Birth Certificate, whichshows the correct date of my birth (Feb. 20,1910)My sister, Mrs.Geo. A. Smith(Gladys Merwin Smith) sent you the wrong information,for the original book- Merwin Family in N.A.

When I sent to New York for a copy of my Birth Certificate, in 1942, I was surprised to see that my name had been recorded as Evelyn MERWIN Smith! The Doctor who had delivered me (who was also my cousin)apparently made the mistake. Subsequently, my mother signed an affadavit showing that :

Evelyn Merwin Smith,and Evelyn Hasbrouck Smith, were one and the same person.

Would that I had retained the name MERWIN!

Sincerely yours,

Mrs. Evelyn (Merwin) Hasbrouck Smith Klier

Dear Cousin:

Thank you for the family record sheet. You did a good job.

Enclosed are sheets for each of your children and their families. Please fill in the missing encircled data.

Could you also give me the full date of your parent's marriage? MFNA shows June — 1905. I also need the full date of your father's death. MFNA shows only June — 1930.

I'd like a short biography of your parents — father's occupation, schools attended, etc. whatever you would like in the supplement. Also, the same for you and your husband.

We have a rule that Merwins not born with the name Merwin must be members of our association to be included in the supplement. The annual dues are only $2.00 (check payable to Miles Merwin Assn.). Covers you and your husband. Your children must also join to have their children and wives included. Love to have you.

Sincerely,

Merwyn

PS - could you give me you sisters Gladys' + Evelyn's addresses?

Dear Cousin:

We are, as you may know, in the process of writing a supplement to the Merwin Family in North America, the genealogy published by the Miles Merwin Association in 1978. Our intention is to rewrite the 10th generation and add persons in the 11th, 12th and 13th.

Please review the enclosed information about your family and make any necessary correction or addition. If a family record sheet is enclosed, missing items are encircled or marked with a question mark. Please provide a brief biography of all persons over age 18.

All persons not born with the family name of Merwin must be members of our association. The annual dues are a mere $2.00. If you are not now a member or your dues are not up to date, please send me a check payable to Miles Merwin Assn. with your reply to this letter.

Sincerely,

Merwyn

Dear Miriam:

Betty and I certainly enjoyed having you and Andy here. We were fortunate that your visit was not a couple of days later because we have been having a very early Summer heat wave. I suppose you are getting it too from the weatherman's reports. We are getting along, but dislike being closed in with air conditioners humming. I still have not planted the seeds in my vegetable garden. Perhaps I'll keep them for next year.

Enclosed is a genealogical supply catalogue from the company where I buy my supplies. I'm sure you will find what you want. Notice that this booklet is eight years old. Suggest you write for an up-to-date catalogue.

Have not been able to find the name of the out-of-print book store I was thinking about, but I will keep looking and let you know when I find it.

Our best to you both.

June 22nd

Dear Betty + Mervyn,

It's now over two weeks since Andy + I were at your home on June 6th — + I've no longer got nor can recall the date of the Merwin Reunion in Detroit.

We did have such a wonderful visit with you: great conversation, great food great fellowship! And we felt especially fortunate to have had the chance to meet Lorraine who is a delight to be with and a bundle of contagious energy, just like her parents. Thus, I *hope* this reaches you before your trip to Detroit + to the Elderhostel at Albion College because we want you to know how much we enjoyed it all.

We continued on to Hartford, Conn.

and spent a week with son Keith where we saw a lot of 6-yr. old Alex. He surprised us with his newly-acquired swimming ability though he was doing lots of splashing + flailing in the S.C.C. Pool last February. It was awfully hot in Keith's condo; the air conditioning needed fixing + repair people were at a premium just then.

It was good to arrive home on Paradise Island + we got busy at once removin the plastic panels from the screened porch + airing out the mustiness resulting from a very rainy spring. Andy repaired a leaking shower + has about finished mowing the high grass that slopes down to the retaining wall that overlooks our little beachfront on Lake Monomonock.

The Ezells are fine in Temple + it was fun to see them settled in their new home. They'd planted grass which was pretty well sprouted.. We saw their new pet, a black Pygmy rabbit named Timothy, who is housebroken, has a big "cage-burrow" in the kitchen, + thumps his back feet when agitated!

I certainly appreciated the

genealogical supply catalogue which Merwyn sent. There are several things I'd like to have as well as the record binder which I'm going to order. I'm so glad to have had a chance to see your computer cassette method of writing the Supplement. That's really neat!

We told you about Uncle John + Aunt Esther's 50th wedding anniversary reception planned by their kids for July 10th in the Allentown N.J. Methodist Church Parlors, I think. (You'll hear about it later, we're sure)

Cindy + I have decided we can't make this trip + one later to Bridgehampton + Riverhead (Long Island), but we did send a couple of paragraphs about John + Esther for the "memory book" the children are compiling.

Thanks again for a lovely visit in Blue Bell. We're hoping to see you next June in Milford + that you'll come to Rindge afterward.

Dear Miriam and Andy:

Thank you for your letter of May 6th. We have made reservations at the George Washington Lodge where you stayed before. The reservations are guaranteed for late arrival on Wednesday, May 27th; leaving Friday morning, May 29th; Room #656.

Just to refresh your memory, the GW Lodge is at the Norristown Interchange of the turnpike at Plymouth Meeting (Exit 25). To get to our place, turn right from the entrance of the lodge to the first traffic light (Germantown Pike); left on Germantown Pike past Plymouth Meeting Mall (it will be on your right); up the hill to the second traffic light (Walton Road); turn right on Walton Road to the first traffic light (Catholic Church) at Townshipline Road; left on Townshipline Road to first road intersecting from right (Penllyn-BlueBell Pike); turn right on Penllyn-BlueBell Pike to third driveway on left and that is our place. Penllyn-BlueBell Pike is the same as Blue Bell Road.

We would have preferred to have you stay with us, but we are in the process of repainting the living room after having new windows put in and we are not certain whether that will be completed by the time you arrive. Also, we have a tenant in our apartment; so, our guests would sleep on the sofa bed in the living room. Not much privacy there.

As far as the painting is concerned, I should have it finished before you come, but this retirement business is busier than I ever imagined. At any rate, it will not interfere with your visit.

Thank you for the information about your family. We are looking forward to seeing you. Hope we have good weather so we will be able to show you more of our neck of the woods.

Love,

Dear Betty + Merwyn

It was so good to hear from you + to receive the invitation to visit from Betty!

Indeed, we would love to stop + see you + we'll be in Philadelphia on Wed. May 27th around 5 p.m. If you'd like us to, we could stay that night, spend the next day, Thursday, + leave Fri. A.M. to drive to Cromwell, CT. for the weekend with Keith + Julie + then go on to Rindge on Mon, May 31st.

However, we do have misgivings about this being too much trouble for you, Betty, + we would be very happy to stay at the motel near the Norristown exit off the P.A. Tnpke. + then spend as much time as we can together. This would take some of pressure off, don't you think, + we'd have lots of fun instead of additional work for you? Could you make reservations for us for the night of May 27, + 28?

I hope this is O.K. with your schedule, Merwyn, +, if you have to work on Thurs., May 28th, Betty + the Andy + I could find some interesting sights to see.

I'm enclosing the pages for the genealogical records.

Yes, we're very happy about Keith + Julie. She's very much his kind of person. was an English Teacher-librarian who had divorced the college sweetheart she married at graduation. Then she embarked on a law degree from Yukon (U. of Conn. Law School) + has worked for Conn. Legal Services in Middletown for about eight years, maybe ten. Keith has his own practice + is gaining steadily.

They bought a lovely old house, the Cornwell-Doud House – 1807, ②

+ have completely restored the front facade by removing a portico + stucco, + putting in 12/12 window panes + an appropriate door.

They'll be excellent candidates for membership in the Miles Merwin Assoc., + we plan to bring them to the next reunion in Milford, in '88.

Drew's life is still much more uncertain + I didn't include an address for him because, after four years at I.S.U., he's moving on to the U. of Kansas in Wichita. Chana didn't like rural Iowa, being a city girl from Berlin + they also hope there may be more opportunities for her to work in computer programming in the highly industrialized area of Wichita.

The baby, "Marcy" is just lovely + we're so proud of nine-yr. old Denise a bright + affectionate little girl, who's already speaking English quite well.

This spring we've been having some improvements made on the Paradise Island cottage: a small U-shaped kitchen built out on the lake side, instead of filling the hall connecting the living room + family room, also two skylights to lighten the areas darkened by the screened porch. We'd have liked to have the work done while we were there, but the builder was greatly hampered by a very rainy summer last year.

The Ezells have been over to see the work in progress + report that we're "going to love it" but things are really dirty with wallboard dust, etc.

Please plan to spend some time with us this summer. We had so much fun last time! We'll talk about it when we see you.

I suppose you're getting ready for the reunion in Wassau, Wisconsin now.

Love,
Miriam + Andy

P.S. We will need directions again getting from motel to Blue Bell Rd.

Dear Folks:

Gaius Merwin passed on to me the recent changes in your family. You certainly are fortunate to have a growing family.

Enclosed are re-writes of both Andy's and Keith's family records as shown in MFNA and revised with the information you gave us. You will note I need a bit more information which I hope you will insert and return the info to me.

Also, if either have changed addresses or jobs, I would appreciate your revising the entries accordingly.

Best regards from Betty and me.

Dear Miriam:

A dues notice sent to your daughter at 180 Coburn Woods, Nashua NH 03063 was returned by the Post Office marked, "forwarding order expired". May I have her new address? I do hope she will continue her membership.

It was great to see Andy and you at the reunion in June.

Betty and I just returned from a vacation week (Elderhostel) at Green Mountain College, Poultney, Vermont. Had a great time.

Best regards,

Merwyn R. Buchanan

Dear Merwyn (and Betty, too)

In delayed response to your address request, Merwyn, Lynnie's address is:

MRS. MARILYNN EZELL
P.O. BOX 108
TEMPLE, N.H 03084

Both Andy + I enjoyed the Merwin Reunion experience more than we can say easily. As a result we now feel we have a preliminary acquaintance with: Charles + Betty from Washington, D.C.; Tink + Gaius from Montclair; Laurel + Marian from Grand Rapids, Mich. + Jan Blakesley from Cambridge, Minn.; Margaret Merwin from Donna, Tex; Ralph Merwin from Atlanta; Bob Merwin from Erie, PA; John Merwin from ST. Croix; + Carolyn Boyer; + ? Mc Masters; also, Morris Merwin + his wife.

I must hasten to say that we were happiest about seeing you folks there & we loved having you take us under your wings & guide us around. Andy got some fairly good pictures of the Memorial Bridge, the Homestead, the cemetary.

We have recently returned from an Acker family reunion at Andy's cousin Bob Acker's place in Old Mystic, Conn. He was able to show Lois Blanchford & Florence Williams, his sisters, the pictures & make a pitch for for future attendance in Milford.

I think I only had time to briefly mention younger son, Keith, to Betty. Keith & Joanne Lin's divorce was finalized &, in July, Keith moved back to Hartford where he has opened an office for solo practice. This time we feel confident that he can really make it work.

Drew (Andrew III), our older one, spent almost two weeks with us here after leaving Karlsruhe, West Germany. Andy & I flew to Des Moines, Iowa with him & stayed for five days in Ames, Iowa, helping him to get his apartment settled. He's an Assoc. Prof. in the applied math dept. at Iowa State University in Ames. We're just so delighted to have him back in the States after a decade!

Andy subscribed to the Sun City Sun this summer & so we're kept au courant of all the continuing events & problems there, such as the prison site that may be located a bit too close to please anyone & close enough to alarm other residents. Well, at least you don't lead a sanitized existence in S.C.C., & of course, that's what makes it unique.

As for the kids paying Merwin Assoc. dues, this is a sore point as every parent knows who is sympathetic to the "higher cost of living" this next generation has been saddled with. I know Marilynn would like to afford to contribute but (always that infernal "but".) They're still building the new house in Temple + the mortgage payments are going to take a big bite for a while. All our kids try to contribute to their colleges, but I'll bet anything that that is their only regular donation. (However, I intend to work on Lynnie when the "iron gets hot".)

We're looking forward to "THE BOOK" + know this must be so exciting for you.

Wish we could see you in Florida next winter or spring but it may be more likely we'll be calling you in Blue Ball while in transit home!

With much love,
Miriam + Andy

Dear Cousin Gaius -

Thank you for your note — Enclosed is the $5 for Kent. I think I sent my check and order for the copy of Volume II. I hope I did!

I have corresponded to communications from Merwyn Buchanan but that came to a grinding halt when my children didn't pay their dues. I understood his position but find it to be true that one's children are apt to be involved with the business of today and the interest with one's family comes later. I have thus taken over the dues paying until such time.

I hope to be able to come to the reunion this year. Last year, I visited before the

Dear Gus:

Many thanks for your recent letter containing a check and some revisions.

Here are some more checks. I forgot to give you these when you were here.

Enclosed is a copy of my letter of Sept. 27th to Florence Williams. It got her to pay up, but she sent her check to you to avoid payment of back dues which I feel she owes. As I mentioned, I think people should join when they were asked - not wait until the last bell to pay as little as possible to "get in the book". If you have not acknowledged her contribution, I suggest you acknowledge dues of $26.00 and contributions of $19.00.

I enjoyed chatting with you when you were here. Our best to you and Tink.

Dear Cousin:

Thank-you for the corrections and additions to your family entry.

Unfortunately, I can not include Harold's family since he is not interested enough in our organization to join. Never got a reply to my letter. If he wants to join now, dues will be $9.00 (80-81; 81-82; 82-83).

I have written Jerome also because he is delinquent ($7.00) in his dues. Have had no reply from him. If he does not pay his dues by October 15th., he will be dropped and I'll be forced to delete his family from your entry.

Hope to see you next year at the reunion.

Best regards,

Merwyn

Dear Newly-Found Cousin Merwyn —

What fun! My good husband secretly sent for "The Merwin Family in N.A." and it was the first thing I opened Christmas morning. I am slowly absorbing everything and am thrilled to be part of this wonderful clan. I have four children — all tops but two of them — Jerome and Lois Merwin look like Merwins — dark, handsome people. Jerome looks very much like his Grandfather's — James Cannon — pictures! He has just bought an apartment in Brooklyn Heights which he & Linda are redecorating and

I would dearly love to know the address of Grandfathers Sporting Goods Store. That seems to be a difficult thing to dig out but I'll keep trying. Do Tell me about yourself. — We live on Eastern L.I. Hal was a builder all his life. — We educated four children and our life in this Small Community included Service in all directions — School board, politics, (10 yrs) Scouts church etc. Hal has recently become The Building Administrator for the Town of [illegible] and I - after raising our family - have become the secretary for the local doctor. I also have become an elder in our Pres. Church. We go to Naples, Fla. for 5 wks in Feb. — and for not having inquired - You now know a great deal about me. — Love Flo

Dear Cousin Florence:

Thank you for your letter of Nov. 14th.

Rather than write a long letter about our association and your family line, I'm enclosing an order form for MFNA which will answer both questions better than I possibly could. You'll want the book since you are going to be in the supplement.

Enclosed is a record sheet on which I have summarized your family. Please give me any needed correction and a brief biography of you + your husband.

~~Also may I have the full address of each of your married children?~~

To have your entry in MFNA supplement, you must become a member of our association. The annual dues are only $2.00. Send me a check payable to Miles Merwin Assn.

Best regards,

Merwyn

Dear Flo:

Welcome to the Miles Merwin Association!

Enclosed is the latest issue of Milestones. I'm pleased to hear you got a copy of MFNA. The supplement won't be meaningful unless you have the first volume.

Also enclosed, is a draft of your biography for your approval. Suggest you name your church. If you wish to be more specific by giving dates or political positions, etc., be my guest.

As to my vital statistics, see page 490 of MFNA. You'll note we are about the same age and Presbyterians too. We built an addition to our home for our bachelor daughter. She has her own apartment and we have her dog! Our son is a teacher in Pittsburgh and about to be divorced. How does one get to be a grandfather?

I have four years to retirement. Had a coronary triple bi-pass operation 8 years ago and have been better than ever since. Used to fly my own plane until the heart episode. I now settle for sailing small boats when I have the opportunity.

We will be on the west coast (near Venice) for a couple of weeks beginning of March. Will visit friends.

(over)

I suggest you visit either the New York Public Library or the Long Island Historical Society. Ask them to check the New York city directories of the 1880s and find the address of Merwin + Hurlbut for you. It must be in the Brooklyn city directories. They will usualy respond to a letter of request too.

Your interest in our family genealogy is much appreciated.

Best regards,

Merwyn

Dear Cousin:

We are, as you may know, in the process of writing a supplement to the Merwin Family in North America, the genealogy published by the Miles Merwin Association in 1978. Our intention is to rewrite the 10th generation and add persons in the 11th, 12th and 13th.

Please review the enclosed information about your family and make any necessary correction or addition. If a family record sheet is enclosed, missing items are encircled or marked with a question mark. Please provide a brief biography of all persons over age 18.

All persons not born with the family name of Merwin must be members of our association. The annual dues are a mere $2.00. If you are not now a member or your dues are not up to date, please send me a check payable to Miles Merwin Assn. with your reply to this letter.

Sincerely,

Merwyn

On Dec. 15, 1980, I wrote you asking for a biography of you and Linda. If I receive no reply by Feb. 15th, I'll close your file and assume you want no biog in the Supplement.

(X) A short biography is needed of you & Linda! Include schools attended, degrees earned, occupation, military, civic and church service, etc. Do not include hobbies. Dear Merwyn:

Thank you for your patience in waiting for my reply to your genealogical questionnaire!

Everything is now assembled except for information about Andy's deceased sister, Madeleine Acker Williams: the date of her marriage, + the date of her husband's death, + the names + birth dates of his parents.

I am sending a letter to our niece, Judy Williams, in Northridge, Calif. for this information today + you should receive it soon from her or from me.

The page for Andy's sister,

Florence Acker Williams, is NOT completed because she said she sent the requested facts directly to you.

Best wishes for 1981 + we're looking forward to seeing the results of your survey.

Sincerely,
Miriam W. Acker

Dear Merwyn:

Andy + I are returning the draft of the Lois Clark Merwin (4037) portion of the supplement which you sent for correction.

Reading it helped us to see that we included too much detail for a genealogy + we trust that it isn't too late to make these changes in Andy's biography. The excess information about our 3 children I have crossed out.

As our daughter's husband remarked when we discussed your hard-won results, the trouble is that it's quickly outdated. This makes your dedication all the more noteworthy.

For example, Andy's + my nephew, Jerome ("Jerry") Williams, + his wife, Linda, have a daughter, Erin Riley Williams, born June 21, 1982, but you will hear this directly from them or the proud grandma!

Again, our best regards to you + Betty + we'll hope our paths may cross again someday.

Affectinately,
Miriam + And
Acker

Dear Merwyn Buchanan:

Enclosed is a check for membership in the Merwin Association and the information that you requested. *The Merwin Family in North America* is an impressive work and I have enjoyed looking at it. You must have an interesting time getting all the facts together.

Henry and I lived in Rahway, N.J. during our married life. His work was in the chemical field and he was the technical director of the Mac-Lac Company there and in New York. After he sold the business, he worked for the Millmaster Onyx Company the Company that bought his company. We both went to Alfred University in Alfred, N.Y. We had four children and I spent much of time as mother and housewife, as well as a volunteer worker for hospital, school, etc. We are now retired out here in Water Mill where we spend our summers sailing and part of the winter, traveling. We raise much of our food and freeze it for the winter. We have eleven grandchildren (eight of them in Pennsylvania!).

Perhaps we will sail over to the reunion next summer. In the meantime, we will enjoy reading *Milestones* and hearing about all these Merwins.

Sincerely
Lois Blanchford

The tree is called the tabebuia or silver trumpet tree. It is a native of Paraguay that was introduced into our landscapes. It forms a medium sized tree which reaches the height of about 25 feet (the size of our large dogwoods). It should be used as an accent or specimen tree in the landscape. The trumpet tree is adapted to dry locations. The bright flowers last only a few days and then fall to form a bright yellow carpet on the ground.

Dear Betty + Merwyn,

It was such fun meeting you last month + I guess, by now, you're probably back in Blue Bell. We hope the stay in Venice + your whole vacation was great success, and, naturally, that you especially liked the life style here in S.C.C. We do think it's quite ideal but are aware that we're prejudiced!

The announcement of Marilyn's marriage for the next "Milestones" is as follows:

(Dr.) Marilynn Luce Acker married William Joseph Ezell on Sept. 12, 1981 at the home of the bride's parents in Rindge, N.H.

I'm not sure this is to be

sent to you, Merwyn, but we have no other address here with us.

Also, we've not yet contributed anything toward the Supplement & want to enclose a check for $25.^{00}$.

We like the picture of you both in the Jan. issue of "Milestones" & find, now that we've met you, that it's a good likeness & reminds us of you.

I do think we'll make it to the Reunion on June 19th this year. Certainly we'll make every effort to do so & are looking forward to seeing you again then.

Affectionately,
Miriam & Andy
Acker

Dear Miriam + Andy:

Betty and I did enjoy meeting you both. Your hospitality is much appreciated. We hope you will stop and see us on your trip back north. Just let us know and we'll give you directions.

We did like SCC and can easily understand your "prejudice". We are not ready for retirement just yet.

After leaving SCC, we covered a lot of Florida and were reunited briefly with many of our friends. It was fun. But now we are back to what Betty calls "dailies". Have caught up with my back work. Now planning my vegetable garden – pouring over Burpee's seed catalog and getting my roto-tiller in shape for the annual assault on the soil.

Marilyn's marriage will be announced in the May Milestones. If you have a snapshot of the wedding, I'll ask Charles Merwin if we may include it. I think pictures – informal ones – add much to the letter.

Your contribution to the Supplement is indeed welcome. I'll pass it on ~~the~~ to Gaius.

Enclosed is a draft of Andy's sister Madeline's entry showing what I need to complete it. Very little is required. If you could help me, the entire Lois Merwin Acker family

and she is obviously not interested since I have received no reply. Perhaps someone else in the family knows the date of Madeline's marriage, where her husband was born and his parents' names. Is he living? Do you have his address?

Our best to you both.

Betty + Merwyn

P.S. - Please give me Keith's current address. Also need Marilyn's.

Dear Miriam:

Thank you for your recent letter with the biographies of your family.

I'll leave Marilynn's address blank until September.

Sorry you didn't make the reunion. One of these days, we'll meet. If not before, in Florida this coming winter.

I'm nearing the completion of the Lois Clark¹⁰ Merwin family - and quite a family it is.

The major missing area is your sister Madeline's family. I have never heard from Judy Williams. Perhaps you would jog her memory. There is very little information needed.

None of Lois Blanchford's, Madeline's, Florence's or Ruth's children have replied to my letters offering them the opportunity to be in the Supplement. It really makes no difference to me but I want you to understand that they had the chance. Only their names and dates of birth will be in the Supplement.

Best regards,

Merwyn

Dear Merwyn,

My apologies for your long wait to receive these corrected biographies!

However, I do think the wait was worthwhile as several important changes have occurred in our family:

① Our daughter, Marilynn, is to be married on Sept. 12th. I have written her biography as if this event had already happened. Probably by the date of publication of the Supplement the changes will be authentic. One problem here: She + Bill don't know where they'll be living (at present, she's living with us + he lives in Nashua but they expect someday to build somewhere between Jaffrey + Nashua to accommodate both) and so I have given her mailing address which is as permanent as we can get right now.

② Son Drew (Andrew Acker 3rd)

has been promoted to a full professorship instead of assistant prof.

③ Son Keith was unable to make ends meet with his private law practice so has taken a job in N.Y.C. (He still sees clients at home, too).

Andy + I hoped to attend the Merwin family reunion in Milford in June but found that a visit to Bridgehampton had top priority on our agenda after our return from Florida. Maybe next year!

Remember that we're both looking forward to meeting you + your wife in Sun City Center next winter. We're delighted to hear you have friends + neighbors there + we give you fair warning that we'll all try to convince you to retire there.

It does sound as if your part-time job is very ideal, however.

Best wishes,
Miriam Acker

Dear Miriam:

You did a great job on your family's record. Enclosed is a very rough draft of your entry for your review and correction. I left a couple of blanks where I felt it would be desirable to show dates or a bit more detail. If you fill them in, fine. If not, that's OK too.

Yes, indeed, we are planning to visit Florida next winter. Thank you for your invitation to visit. Our former neighbors, Charley + Elsie Gidley live at 101 Kilby Way in Sun City Center and we ~~had~~ have friends in Venice + Bradenton. Most of our friends are retiring at 62 (my age) and moving to Florida. I am not planning to retire yet. I am Director of Accounting (run the Business Office) for our local school district. I get lots of vacation days. Who needs to retire?

Best regards,

Merwyn

Dear Merwyn:

I've been re-reading your letter of Mar. 4 + cursing both our + your bad luck in your not getting to Sun City Center in March!

However, we (Andy + I) hope you're both resolved to come another time because it's a great place, you'll find, + we'd like nothing better than meeting you. We noticed a Miles(?) Merwin from Lakeland, Fla. in the genealogy + that is about 50 mi. from here.

We received the O.K.'d "biographies" from our Kids so I'm sending them on to you. I know they are verbose but don't know what to omit, especially where there are in-laws. (Do in-laws rate equal footage?)

I've sent a reminder card to our niece, Judy Williams, in Northridge, Calif. (you have her address) in re to the missing info. for her family.

We're planning to leave here for Rindge, N.H. on May 18 + are already winding up the crafts, organizational, + et cetera activities in readiness for the move. Are you retired yet, or semi-retired?

Have a fine summer + bless you for your painstaking + worthwhile work in the Merwin behalf. We will read the description of your job in the May "Milestones" with interest.

Sincerely,

Miriam + Andy Acke

P.S. We are enclosing a check for $6 for memberships in the Miles Merwin Assoc for our children. The membership dues for us have been sent on Feb. 24.

Dear Miriam:

My wife and I had planned to be in Florida this week and we had reservations at Sun City Center. I had hoped to visit you and get acquainted.

However, our car died two days before our planned departure! We had to postpone our trip and buy a new car.

Enclosed are the facts as I have them on your immediate family. You can see what items are missing. I also need a brief biography of you, your husband and each of your children.

If you would prefer, I'll write to each of your children for their info.

I must ask you to join our association to enable me to put your family entry in the Supplement. Just send me a check payable to Miles Merwin Ass'n, Inc. for $2.00 annual dues.

Best regards,

Merwyn

RE: LOIS CLARK
MERWIN, CODE
NO. 4037

Dear Cousin:

I am the daughter-in-law of Lois Merwin Acker (died in 1975) + wife of her only son, Andrew F. Acker Jr., + the exciting task of gathering Merwin Family vital statistics has fallen to me.

Due to our recent move (Sept. 10) from Bridgehampton, L.I. to Paradise Island on Lake Monomonac in Rindge, N.H., I've found little time to do my job until now. There's information to be gotten from two of Andy's sisters, one in Bridgehampton + one living in Montserrat, W.I., + I am writing to them, also, Today. Your patience is desired because, in Time, our portion of the Merwin Family Record form will be completed.

Sincerely yours,
Miriam W. Acker

P.S. I have a special interest in the Merwin family since my paternal grandmother was a descendant of Gov. Treat of Conn. + had Merwins in her family tree.

Both my husband + I became genealogical sleuths, in 1976 + '78 when we located my father's family (Woodhull) seat in Thenford, Northamptonshire, England.

P.S. 2 On Nov. 19th we'll be leaving for our winter home in Sun City Center, Fla + I enclose our address for your convenience:

Dear Jean:

Thank you for the picture of your father.

Please read your father's biography on page 209 of Volume II, The Merwin Fmaily in North America. If there is any correction or addition you wish to make to this write-up, let me have it and it will be put in Vol. III along with the mention of his death. We do not wish to repeat what has been reported in Vol. II since to do so would add to the cost of an already expensive work without adding anything significant.

Dear Merwyn,

You ask if I can help you locate anyone in the family of Florence (4033) Jennings^{10} Merwin who married Bronson Hasbrouck Smith. I am happy to do so for Florence is my eldest sister. I am forwarding the sheets to her daughter, my niece, Mrs. Sidney G. Klier, 16661 Devonshire St., Granada Hills, Ca. 91344. She bought a copy of the Merwin Genealogy & is very much interested in seeing it brought up to date. I'm sure she will give you complete information.

Sincerely, John.

As you may know, the Miles Merwin Association is anxious to make the Merwin genealogy more than a statistical listing of names and dates. To make the record interesting, colorful and personalized, we must have biographies of living Merwins. These might include schools attended, degrees obtained, awards, military service and other accomplishments or interests.

Many Merwins submitted biographies with their genealogical line information, but these may have been furnished some time ago and need to be brought up to date.

We are making good progress in completing the genealogy, accordingly, we must ask for your reply before November 30th for inclusion in the manuscript.

Dear Cousin:

Enclosed is the copy of a letter I sent you on August 4, 1980. To date, I have had no reply. I, accordingly, presume you require no change in your family entry and that is fine.

Would you, however, please give me the present addresses of your daughters so I might give them the opportunity of including their families in the Supplement we are writing to The Merwin Family in North America?

Your help will be much appreciated.

Sincerely,

Merwyn

Dear Cousin:

How I envy you! You have a great family.

I'm sorry to bother you again but there are just a few details I need. These are:

✓ ① - Jean Hazel's full address
✓ ② - Shirley Lois Pullen's full address
✓ ③ - Where was Laura Rachel Merwin married?
✓ ④ - What is Martha Florence's full address.

Guess I'm a nut about addresses, but, as you know, ours is a mobile society; and I feel that, if I have everybody's address, I'll be able to find everyone even if some people in a family move. Their relatives will know where they are. Be surprised how many Merwins have moved since their entries were made in MFNA.

Thank you for your help.

Sincerely,

Merwyn

Dear Cousin,

I've held up my reply because of probable changes in addresses: Our daughter & son-in-law the Pullens, are building a house w/ an attached apartment for Esther & me. The address I've given for Joan Hazel & her daughter Shirley will probably be our address too in November. We are in the process of selling our house here in O.G. We're waiting now to see if our prospective buyer can secure a necessary mortgage.

Your comment about our family makes me realize how grateful we should be, and are. God has been good to us. When the children were small, Esther & I applied to the Mission board & were turned down because of my age then (40+) + number of children. So we decided we'd raise missionaries! So it has turned out - John in Japan, Lois in India & Martha w/ Campus Crusade for Christ in Cal.

We're grateful to you in this job of assembling data for the Moravian Clan!

Sincerely John.

Dear Merwyn:

Sorry I have not responded to your inquiry before this.

My mother passed away June 26th of this year of a cerebral hemmorage at the Venice Hospital, Venice, Florida. She was 81 years old at the time. There were many neighbors and friends at her calling hours that Friday evening and at her service Saturday afternoon at the South Venice Church. The service was conducted by a Reverend from Nokomes and her ashes were placed with my father in South Venice Gardens.

On Sunday, October 20 a small service was given as part of the regular sunday service at the South Venice Church by Pastor Reverend Zeiglen who was away at the time of her death. He read a lovely poem found by me in my mother's bureau which related to the fact that just because our loved ones are gone they are not fogotten, and said many lovely things about my mother.

I am enclosing that calendar. Perhaps now I should now become a member of the Association because I am now the only member left of my immediate family.

My brother George's youngest son William Merwin is the only one to carry on the family name. He is now 19 and resides in Boca Raton, Florida

I hope this will help.

Sincerely,

Barbara Merwin Nobil Bearce

'Tis the Season

I grew up enjoying the different seasons of the year. I like the freshness of spring and the budding flowers, the open windows and long days of summer, the frost of a fall morning, the frequent "white blankets" of winter.

Though it may be surprising to some, Christian stewardship is one thing which is not seasonal. We are summoned to be faithful, to learn, and grow every day of the year.

One part of stewardship, the development of a church budget, does have a seasonal flavor. This is the time a church plans its ministries for the next twelve months and arranges its ministries in a budget.

This is the time of year church members consider the proposed budget, adopt it, and make personal giving commitments to support their church's ministries. This seasonal opportunity to review, plan, and adopt church ministries influences the rest of the year as the church implements and financially supports its ministries. This makes budget development time extremely important.

Whether the development of a budget is a good experience for a church depends on the church members. They must care how their church expresses its ministries. Members need to pray for and carefully consider the work of the committee assigned to give time and thought to a proposed budget. There must be openness in discussion and a generous spirit in making decisions about needs for ministries. The financial commitment of individual members is needed if ministries adopted become ministries performed.

Dear Mrs. Merwin:

I am pleased to say I have heard from your son and his entry for the Supplement is completed. I believe I have you to thank for that response.

Enclosed is a copy of the third letter I have written to your daughter. Do you think you could get her to reply? As you can see, the missing items would take about a minute to fill in.

If I do not receive a reply by July 31st, I shall omit her entry. I can not go on spending time and money urging her.

Best regards,

Merwyn

Dear Cousin:

Enclosed is the draft of your family entry as it will appear in the Supplement. Won't you please fill in the blanks? It will take but a minute.

A few weeks ago, my wife's cousin Ruth Vansant and her husband Frank were visiting friends in Florida. They were introduced to Maude Merwin who was also visiting there. Small world, isn't it?

Best regards,

Merwyn

Sunday Evening

Dear Betty,

Twice I have forgotten to ask Mer if the geneology genealty book he wrote is available to purchase and if so at what price. Maude Merwin in Venice would like to buy one according to my cousin, Louise. If it is available perhaps you could bring one when you come down in June and I'll see that Louise gets it (she'll be back in Somers Pt. by then.)

We had a lovely dinner today in Fortescue. Talked to both "kids" before we went out so had a nice day. Hope you did too.

Looking forward to seeing you on the 4th.

Love,
Ruth

Dear Mrs. Merwin:

My wife's cousin, Ruth Vansant, and her husband tell me they had the pleasure of meeting you while visiting friends in Florida recently. It is truly a small world.

May I enlist your help? I have written each of your children three times requesting information for the Supplement. Will you please ask them to reply? My enclosed letter to you shows what I need on your son.

I am anxious to show your family fully and accurately, but I can't do it without the information. However, I can't spend more time and money trying. This is my last appeal.

Best regards,

Merwyn
